

Parents Information

Future 7th Graders

Dear Parents,

On behalf of the Conway Schools Athletic Department, I would like to Thank You for wanting your child to be a future Wampus Cat or Lady Cat.

Physicals

All students must have a Physical to participate in any sport offered in the Conway Schools. Since there are so many students with allergies, heart conditions, asthma and a variety of breathing problems, we are asking all 7th grade parents to take their child to their family doctor for their physical. This will give us a better medical history, coming from someone that has always taken care of your child.

Insurance

The School does have a secondary supplemental insurance; you would use your insurance as a primary provider. If you do not have insurance you may want to check into ARKIDS, you can see the school nurse for more information.

Forms

Please use the physical form provided to you and after it is complete you can turn it in along with the consent form to their coach. The physical form and Athletic Handbook can also be found on the athletic web page. You can go to conwayschools.org and then click on athletics in the blue box.

If you have any questions you can call Steve Daniels, Athletic Director at 450-6631.
